

Delaney Strader
Scarborough
LD 1446

My name is Delaney Strader, I am a freshman at Scarborough High School. I am in support of the change in State Voting Law to the age of 16. I believe that teenagers my age are mature enough to be able to vote and have seen how responsible they have proven to be. Having been with my peers as a Scarborough resident for nearly 10 years now, I have seen the issues they have worked to solve, and know they will make the right decision for our country. Thank you for reading.
