I am writing in opposition to Bill 1149: An Act to Require an Individual to Present Photographic Identification for the Purpose of Voting

As a senior citizen, I often need to vote absentee. This Bill ends my ability to do so. It will either disenfranchise me, making it impossible for me to vote and it puts unnecessary obstacles in my way.

As a taxpayer, this Bill would cost me more money, since it will require the State to create a new system for voting.

With no evidence of voter fraud in Maine, this is an unnecessary waste of taxpayer time and money and would suppress the vote in Maine.

I urge you to vote to oppose it.

Thank you.
