I support LD 525 “An Act to Strengthen Maine Citizens' Second Amendment Rights by Allowing the Discharge of Firearms on Private Property That Is Within 500 Feet of School Property in Certain Circumstances.”

This is common sense legislation. In the split second a person threatened with severe bodily harm or death tries to reason whether they are permitted by law to defend themselves, may end up dead.

The discharge of firearms on private property that is within 500 feet of school property must be clarified. The infringement on our right to self-defense must be eliminated.

Let us defend ourselves.

I support LD 525 “An Act to Strengthen Maine Citizens' Second Amendment Rights by Allowing the Discharge of Firearms on Private Property That Is Within 500 Feet of School Property in Certain Circumstances”, and it “ought to pass.”
