

Melissa Berky
Bangor
LD 1149

My name is Melissa Berky and I live in Bangor. I'm against LD 1149. Before my Mom passed away she lived in a nursing home. For several years I helped her to vote by absentee ballot. I delivered her ballot to the town office. She had a great memory and was a proud voter all of her adult years. This bill would severely limit her ability to vote. She needed transportation, a wheelchair, oxygen and good weather in order to leave the nursing home. Please vote against LD 1149.
