LD 1847

I oppose LD 104 & 1847 as it would negatively impact my access to medical cannabis. Please listen to fellow constituents and others who would be greatly negatively impacted by this. Maines medical program is absolutely fantastic for those of us with absolutely critical need for quality medicine. Please do not muck it up; plus consider the extra costs, immense plastic waste, for what added benefits? OPPOSE LD 104 / 1847!! Thank you for your time.
