

Miles Deodatis
New York, NY
LD 1840

I strongly support LD 1840, as it would greatly benefit my access to medical cannabis. I am an out-of-state medical marijuana patient, and I make frequent use of Maine's medical marijuana program to receive optimal access to medical cannabis. I strongly support LD 1840 in benefiting my access to medical cannabis. Please vote yes on LD 1840!!!
