

Matthew Cote  
Buxton  
LD 1897

My name is Matthew Cote I am a resident of Buxton, Maine  
I am a medical patient and caregiver assistant and I want to see outdoor cultivation of  
cannabis supported through the passage of LD1897. I want more access to sun grown  
products and would like to see the steps taken to reduce energy use in the cannabis  
industry. Thank you for your time and please vote yes on LD1897.
