LD 233

I support LDs 233, 868, 1002, 1134, and 1704. Keep boys out of girls' sports and bathrooms! Biological males have no business being in biological female's locker rooms/bathrooms, or competing against them in sports. It's dangerous for biological girls to have biological boys in their sports and private areas. What ever happened to women's rights? Women are being erased in the state of Maine. The majority of our citizens believe as I do. Maine State law is superseded by Federal law. Maine must fully comply with Title IX Federal law.

I support LDs 233, 868, 1002, 1134, and 1704 and they "ought to pass."
