

Daniel Malcolm  
Brownfield  
LD 1847

DO NOT PASS THIS BILL

My name is Dan and I live in Brownfield. I'm testifying against the passing of bill LD1847. It will be a disaster to the businesses, employees, patients, and communities which depend on the medical program.

Simply put, Maine's medical program is one of the oldest in the country and has flourished since its inception with the simple track and tracing implementation of Trip Tickets.

The further implantation of a needless and costly software system will increase financial, environmental, and bureaucratic burdens to caregivers and patients alike.
