

Emily Baldwin  
Your Maine Plug  
LD 1897

I am a small caregiver in northern Maine and am writing in major support of LD 1897 to expand sun grown cultivation. This is a bill that I would utilize to expand my business and I appreciate all of the other additions, such as the 30 day grace period, for other cultivators that may need help expanding quickly. I urge that the committee vote yes on this bill.
