To whom it may concern,

I am wishing to have this ridiculous bill thrown out of court. Why are we even discussing it???

What happened to Women's rights?? Are we going backwards because of less than 1 percent of persons in Maine??

A Mother to a daughter, a grandmother to a 5th grader, & aunt to 3 teenage girls! I am appalled that they would have to compete against a biological male! I am even more appalled & disgusted a MALE could change in a locker room with my girls!!! Isn't it time to do the right thing for once!! We the people want to be treated fairly. We do not want our girls harmed in any way or form. Who are the parents allowing this??

They should be ashamed. Time for more parents to SPEAK up!! Public schools are a disgrace to allow such nonsense. Unfortunately, I will not be able to attend in person as I am a tax paying working citizen. Sincerely LJJ
