LD 1620

My name is Rocco Andreozzi, and I am founding partner at Atlantic Farms. We are an employee owned sun grown cannabis company, that has operated in the medical and adult use program's over the last 6 years. I am in full support of LD 1620, as I see this reform as sensible and smart. Data shows that this is a safe level in a yeast & mold CF test, and would also ensure that clean, sustainably grown sun grown cannabis would have a place in the market.

Thank you for your time.
