

Rocco Andreozzi
Portland
LD 1897

My name is Rocco Andreozzi, and I am a co-founded of Atlantic Farms. We are an employee owned sun grown cannabis company, that has operated in the medical and adult use programs over the last 6 years. I am in full support of LD 1897, as I am Sun Grown cultivator, and believe it is critical that we ensure sun grown cultivation continues to be staple parts of the programs here in Maine. The sustainability, less energy use, and beneficially cannabinoids produced under the sun are all reasons to support this bill. Sun grown Cannabis is better for Maine.
Thank you
