

Brandon Smith
Oxford
LD 104

I brandon smith am tesityfiying against LD104. It would be detrimental to maines medical program in the ways we DO NOT NEED. More importantly this would take away my livelihood and means of living. Its my work, my passion and my source of income and this business is already hard for the little guy as is. Please think of maine and its people like we should. Againt i testify against LD 104
