

Noah Lovley  
Corinna  
LD 1897

My name is noah lovley I am a resident of Corinna Maine I am a medical patient/caregiver and I want to see outdoor cultivation of cannabis supported through the passage of LD1897. I want more access to sun grown products and would like to see the steps taken to reduce energy use in the cannabis industry. Thank you for your time and please vote ought to pass on LD1897.
