

Grace Carrier
Blue Hill
LD 297

Hello,

My name is Grace Carrier, and I am a resident of Blue Hill, Maine. I urge you to vote in support of LD 1604, LD 1349, and in opposition to LD 297. I care about this issue because water is the spring of all life, and we must protect it. LD 1604 and 1349 are critical to the health of our communities and natural environment. We must stop LD 297 to protect the lands that sustain our own lives.

Thank you,
Grace Carrier
