LD 1432

I am writing in strong support of LD 1432 - An Act to Remove Consideration of Gender Identity from the Maine Human Rights Act. No one can change their sex, any more than they can change their skin color, or their species. We can solve a lot of issues, including males using women's private spaces and participating in women's sports by the removal of so-called "gender identity" from the Maine Human Rights Act. It is well past time for this society to embrace reality. Please vote to pass LD 1432. Thank you.
