

Paul Sheridan  
NORTHPORT  
LD 1868

This the bill LD 1868, to transition Maine to 100% clean electricity by 2040, will create good-paying jobs, and lower energy costs for families and businesses.

We have the power to shape our future, if we are smart enough to guide ourselves there-- Let Maine "Dirigo!"

Please vote "should pass" on LD 1868.

Thank you.
