

Senator Ingerson, Representative Meyer, and distinguished members of the Joint Standing Committee on Health and Human Services.

My name is Madelyn Violette, but I go by Maddie, and I live in Turner, Maine. I write to support of LD 1425, An Act to Improve Access to Sustainable and Low-barrier Trauma Recovery Services.

I think Maine's Resiliency Center should stay open because on October 25, 2023, disaster struck. This place has been a great place to have groups and have a place for therapy and it's a good place for people who entered trauma.

I support LD 1425 and I hope you will too.
