

Rosemary Ray
Hampden
LD 1134

I support LD 233, LD868, LD1002, LD1134, LD1704. These bills represent the values of most cultures throughout history that respect sexual privacy and physical safety in sporting activities. We are supposed to be an enlightened advanced nation but are confused about the realities of human nature. These bills would reduce the confusion and protect sexual privacy and physical safety.
Thank you
