LD 525 - An Act to Strengthen Maine Citizens' Second Amendment Rights by  
Allowing the Discharge of Firearms on Private Property That Is Within 500 Feet of  
School Property in Certain Circumstances

Submitted for the Public Hearing May 7 1 p.m., Committee for Education and Public  
Affairs

As a former educator and concerned citizen, I am writing to oppose LD 525. I believe  
discharging of firearms near school property is dangerous and unnecessary. Students  
are often enough playing and learning outside, and they deserve to do so without fear.  
I do not deny second amendment rights, but I believe use of firearms should be  
limited to areas where others, especially children, are not put at risk. Thank you for  
your consideration.
