LD 1134

Senator Carney, Representative Kuhn, and Honorable Members of the Judiciary Committee,

Thank you for this opportunity to submit testimony on LD 1134. I am writing to oppose this bill. This bill clearly discriminates against transgender students and their access to educational opportunities. Transgender people are human beings. Someone may not personally understand or approve of their gender identity. Nevertheless, they are entitled to human and civil rights, even in school. I urge you to vote Ought Not to Pass on LD 1134.

Thank you for your consideration.
