"Protect Children's Identification" in the title of this bill is code for discriminate against trans kids. Bills that discriminate against transgender students violate both state and federal constitutional guarantees of equal protection. This bill would leave ALL girls, ALL boys, ALL kids vulnerable to scrutiny and harassment and empower schools to engage in policing adherence to gender norms, which unfairly scrutinizes girls' bodies, and have been shown to affect girls of color even more. This bill will cause fear, distrust, and confusion for students, families, and educators.
