I do NOT support the proposed legislation targeting trans children (LD 233, LD 868, LD 1002, LD 1134, LD 1704)- all children have the right to safe and nurturing environments, and these proposed measures would make kids, especially girls, MORE susceptible to abuse, not less. Bills that discriminate against transgender students violate both state and federal constitutional guarantees of equal protection. I also OPPOSE amending the MHRA to exclude trans people (LD 1337, LD 1442). All people have certain inalienable rights, and targeting such a small minority is frankly disgusting- we should all strive to live and let live.
