LD 1337

My name is Sarae Pacetta, and I'm the parent of a transgender 17 year old. I'm writing against LD1337.

Transgender women can be unsafe in men's shelters, targeted for their gender identity and non-conforming appearance. They are not a threat to cisgender women in women's shelters.

Please continue to support Maine's transgender homeless population by allowing trans women to be housed in women's shelters.

Thank you for your time with my testimony.
