LD 233

Dear Judiciary Committee Member,

My name is Stacey Caulk, and I live in North Yarmouth, Maine. With two children that attend the Greely school system, I have seen the personal toll that is taken on our youth when they are targeted for their identity. This bill discriminates against certain children based upon their gender identity and does not allow the school district to make policies that make the most sense for its students. Maine has long protected its LGBTQ community against discrimination. Now is not the time to roll back those protections. I urge you to vote NO on LD 233.
