I support LD 1337 and LD 1432 - THEY OUGHT TO PASS

This is common sense legislation. It's outrageous to think otherwise! Biological males have no business being in biological female's locker rooms, bathrooms, shelters, or competing against them in sports programs. It's dangerous, and totally disrespects biological females. It's a travesty that biological women are being erased in Maine!

Many Maine politicians and unelected bureaucrats have totally disregarded the fact that a large majority of Americans (~80%) DO NOT want biological males competing against biological females.

Maine must fully comply with Title IX Federal law. Maine State law no longer applies.

I support LD 1337 and LD 1432 and they "ought to pass."
