Senator Carney, Representative Kuhn, and Honorable Members of the Judiciary Committee.

Thank you for the opportunity to address the Committee.

My name is Lydia Solak, I'm a resident of Berwick, I am here today in opposition of the bills before the committee today.

Those I care about would be deeply affected by this bill, taking away their individuality and right to freely access care that affirms them and their identity.

Thank you for the opportunity to share my perspective with the Committee. I urge you to vote "Ought not to Pass" on these bills. Thank you!"
