I support LD 1867 “An Act to Prohibit Financial Institutions from Using Merchant Category Codes to Identify or Track Firearm Purchases or Disclose Firearm Purchase Records.”

This bill prohibits keeping or using a list, record or registry of firearms purchases or firearms owners or distinguishing a firearms dealer or discriminating against a firearms dealer by using a product code for firearms or firearms purchases separate from general merchandise or sporting goods retailers in the State.

I’m 100% behind this bill. Maine is one of, if not the safest states in the country. A firearm registry in Maine is a solution looking for a problem, and this bill would prevent it. Maine is not New York or California.

I support LD 1867 and it “ought to pass.”
