LD 1888

I STRONGLY URGE you to vote OUGHT TO PASS on LD1888, An Act to Combat Organized Criminal Enterprises in Maine. Maine has hit to the BIG TIME. We are no longer a state mostly free from organized crime and illicit drugs. We have people here now who are making their living from growing drugs, pushing fentanyl, and human trafficking. This act will give our law enforcement the means to combat these organizations and criminals. We need to be proactively behind getting all of these bad actors out of our beautiful state. Any laws that clear the path or our state to rid itself of these organizations is a step forward to saving our youth from a horrible life. The drugs and prostitution criminal enterprise that come with them, are making Maine a very DARK place to live. As the ancestor of a Founding Family of Maine, I am saddened by this illicit activity. I want Maine to return to a safe place to be enjoyed by all and not a competitor for the California craziness we are seeing today. Please take us ONE FIRST STEP toward bringing back true Maine values of Christian living. I implore you to PLEASE VOTE OUGHT TO PASS on LD1888 and make Maine SAFE AGAIN! THANK YOU!
