I VERY STRONGLY URGE you to vote OUGHT TO PASS on LD1877, An Act to Increase Penalties for Human Trafficking Offenses. There isn't much more to say about this bill except "OF COURSE!" My goodness, it would seem obvious that we should protect our citizens from human trafficking! IT is a cruel, insidious thing and we should stop it ANYWAY we are able! Increasing the finds MAY keep them from doing it again, but I doubt it. Jail times and reprogramming may work better as an added bonus! Maybe restitution to the victims by the perpetrators thrown on for good measure. There is NO AMOUNT of money that will give the victims back their life as they knew it. Whatever stops these "animals" from doing their horrible deeds I'm in favor of! PLEASE, I URGE YOU, vote OUGHT TO PASS on LD1877. Thank you!
