LD 1818

As a long time tax advisor, and CPA, I support LD 1818 “RESOLUTION, Proposing an Amendment to the Constitution of Maine to Limit Taxes, Spending or Debt Without Approval by the Voters.”

This proposed Bill would add common sense limitations on tax increases.

According to a Wallethub study, we Mainers bear the fourth highest total tax burden in America. Based on their calculations, Mainers bear a 10.64 percent overall tax burden, annually paying 4.4 percent of their income in property taxes, 3.02 percent in income taxes, and 3.48 percent in sales and excise taxes.

We need relief!

I support LD 1818 and it “ought to pass.”
