

Pheonix O'Brien  
Thorndike  
LD 1894

We own and operate a wholesale organic vegetable farm located in Thorndike Maine. We are in support of LD 1894. We supply supermarkets and independent grocers throughout New England. We often find that larger supermarkets are unwilling to negotiate pricing due to the fact that produce can often be sourced more cheaply from out of state. Some retailers have demonstrated a complete lack of willingness to negotiate pricing due to this.

Thank you
