

Melissa Aguirre
Saco
LD 1925

I am a farmer who rents land in Saco Maine and I am in support of this Act to ensure that farmers who lease rather than own land and those who farm on land that is already protected by an agricultural conservation easement are able to fully participate in the Farms for the Future Program. The bill also increases the maximum allowable amounts for grants and agricultural marketing loans awarded through the Program to keep pace with inflation. Thank you for your consideration.
