Hello, my name is Zyrel Jennings. I am a student at Biddeford High School and I feel we should pass this bill because I feel like teachers don't get paid enough. One reason why I'm saying this is because they have to deal with a lot from the students. Also because the students are just cruel and straight up disrespectful and its not just the teachers they are rude to its other students, too. I have witnessed this for a long time and I feel like the teachers should get paid more because they are just trying to help us students and get us to graduate and we can be a lot for them.
