Testimony in Support of LD 1883
An Act to Enact the All Maine Health Act (AMHA)

Submitted for the Public Hearing Before the Maine Legislature's
Health Coverage, Insurance, and Financial Services Committee
May 14, 2025

I am writing to urge you to support LD 1883. Our current system of paying for healthcare in Maine and the United States is complicated, expensive, and does not deliver the highest quality care. The All Maine Health Program would ensure that everyone in Maine had access to healthcare, while at the same time simplifying the payment system. Right now, as we fear for the survival of our rural hospitals, we know that we need to try something new. Please give this option a chance.

Thank you for your consideration,
Mary Beth DiMarco, Houlton
