

Marya Goettsche Spurling, MD. FAAFP
New Sharon
LD 1883

I am so sorry- I simply have an edit to my previously submitted testimony - in which I quoted my monthly insurance premium at \$500. I have since learned that it is in fact \$939 monthly. I never imagined it would be that high. Thankfully, I can afford it, but many of my patients cannot.

Sincerely,
Marya Goettsche Spurling, MD, FAAFP
