LD 1259

As a constituent I urge you to vote "ought to pass" on LD 1259, An Act to Enhance Public Safety in Maine by Defining the Relationship Between Local and Federal Law Enforcement. Federal agencies such as ICE and Border Patrol have ample budgets to do their work of enforcing the U.S. Constitution -- or violating it as we've seen for the last several months. Local law enforcement should not be expected to enable abuses of the constitutional rights of Maine residents.
