LD 1259

Honorable Members of the Judiciary Committee:

I am contacting you to urge **STRONG** support for LD 1259. It is of vital importance that we in Maine maintain the provisions in our Constitution that guarantee due process and the principle that everyone is innocent until proven guilty in a court of law for **ALL** our citizens. At this time, we have evil forces in our nation that are trying to destroy the protections enshrined in our Constitution and we can **NOT** let that happen. ICE is becoming the new Gestapo and I beg you **NOT TO ALLOW THIS TO HAPPEN IN OUR GREAT STATE OF MAINE.**

Thank you for consideration of my comments. We all understand what is at stake here and we **NEED** you to stand up for the rights our founding fathers gave us!
