Freeport
LD 1971

My name is Katrina VanBrugh and I am a member of the Allen Ave UU Church in Portland and social justice issues are extremely important to me. I am testifying in support of LD 1971. The recent actions of our federal government regarding immigrants are unconstitutional and must be curtailed. I strongly urge the committee to vote Ought to Pass on LD 1971 and preserve due process, and democracy and freedom for all.
