"An Act to Enhance Public Safety in Maine by Defining the Relationship Between
Local and Federal Law Enforcement"

Sponsored by Representative Ambureen Rana

I am writing in favor of this bill LD 1259. We're in unprecedented times when our
civil liberties are under attack by our current President and Federal Administration.

I strongly support that local State of Maine law enforcement be prohibited from
entering into agreements with Federal Immigration Enforcement Authorities.

I welcome this bill becoming law to safeguard all the people of Maine.

Thank you!
