LD 1971

I STRONGLY URGE you to vote OUGHT NOT TO PASS on LD1971, An Act to Protect Workers in This State by Clarifying the Relationship of State and Local Law Enforcement Agencies with Federal Immigration Authorities. NO, NO and NO! What are you thinking?! Our borders have become an open door to many, many bad people! These people have raped, murdered, and mutilated so many people. They are supposedly escaping the people that they are most like, rapists and murderers! You want to prohibit their being caught and sent back to the place they made so bad that even they don't want to live there?! My grandfather came to this country the right way, through Ellis Island. He worked hard to become a citizen but became ill and never made it before he died. But he loved this country and all it had to offer him. He worked hard and NEVER put his hand out for aid. Now many comes here expecting to be totally taken care of. Many come here because they are so bad their own country doesn't want them or wants to imprison them. We have these people hurting our citizens and now you want to hinder their being made accountable for their actions. Would you feel the same way if it were your son or daughter or grandchild. I know I wouldn't. Please don't make the DHS job harder than it already is. Make sure these bad actors get made accountable and face the consequences of their bad behavior towards their fellow man. I URGE YOU STRONGLY to vote OUGHT NOT TO PASS on this terrible legislation! I THANK YOU and your children and grandchildren will Thank You!
