

Testimony of Annika Moltz, RN, BSN
To the Joint Standing Committee on Judiciary
132nd Maine State Legislature
May 19, 2025
Concerning LD 1259 and LD 1971

Senator Carney, Representative Kuhn and members of the Judiciary
Committee:

My name is Annika Moltz, and I submit this testimony in support of bills LD 1259 and LD 1971. As a registered nurse, I am terrified to think of the day that ICE agents come into my hospital to target my patients, my coworkers, or me. The actions of ICE in our communities are illegal, immoral, and unconstitutional. I ask you to support these bills in order to help protect the rights and safety of people who have immigrated to Maine, as well as the dignity, integrity, and constitutional rights of all people of this state.

I urge you to vote “ought to pass” for LD 1259 and LD 1971.

Annika Moltz, RN, BSN
