

**Testimony in SUPPORT of LD 1971 May 19, 2025**

My name is Sharon Dean. I live in East Machias, and I am urging you to vote in SUPPORT of LD 1971.

We all want safety, and we all want to trust our law enforcement officers. It has been statistically proven that there are lower crime rates when people trust the law enforcement officers in their neighborhoods

This legislation provides clear boundaries that prevent local and state resources from being entangled in federal operations. It helps ensure that Maine's agencies serve all residents.

I have family members who worked in law enforcement before their retirement. They are good people, doing dangerous work. Immigration laws are complex. Maine Law enforcement officers and agencies should not be put in the position of trying to carry out Federal orders that might be illegal. Unfortunately, there have been many recent examples of the federal government taking people into custody without cause and without due process.

Therefore, I urge you to vote in SUPPORT of this bill to protect the rights of all people, including law abiding citizens and our law enforcement personnel.
