Senator Carney, Representative Kuhn and Honorable Members of the Joint Standing Committee
Judiciary:

My name is Tracy Eberhart, I live in Brooklin, and I am writing to support LD 1259. I have watched in horror in recent weeks as individuals have been kidnapped in broad daylight by ICE and other federal agencies, and subsequently been denied due process rights. Comparisons to Nazi Germany are not over-exaggerations. I am deeply opposed to State law enforcement being entangled with these immoral actions. Let Maine stand as an example to other states on how to resist this abuse of power.

Thank you for your time.

Tracy Eberhart
