

Theodore Faugno
AUGUSTA
LD 1259

I am writing in favor of LD 1259 and LD 1971. I am an Augusta resident that is against the increasing presence and cooperation with ICE. I am strongly against the immoral actions they have carried out so far. These 287(g) agreements undermine public safety, strain local resources, and lead to further violations of our collective rights as humans. I strongly urge you to vote in favor of LD 1259 and LD 1971.
