LD 1971

I oppose LD 1971 "An Act to Protect Workers in This State by Clarifying the Relationship of State and Local Law Enforcement Agencies with Federal Immigration Authorities."

This bill is designed to do nothing more and nothing less than to make Maine a "sanctuary state." I did not support the invasion of this country by illegals and/or asylum seekers over the past four years. But I do support getting them ejected from this state/country ASAP. For God's sake -- this is the Judiciary Committee, right? Apparently, none of the Bill sponsors had any "due process" concerns when the illegals were encouraged to wander into the country and then actively redistributed by the federal government. But... now you've all "found God and due process."

If we didn't need due process to get 'em in... we sure as hell don't need it to get 'em out!

We should support local law enforcement cooperation with ICE, not make it illegal!!
The Maine State Police and Maine Sheriffs Association both OPPOSE this bill!!

I oppose LD 1971. IT OUGHT NOT TO PASS.
