LD 1656

Greetings. I am writing regarding LD1656. I support LD 1656, and "it ought to pass." I support LD 1656 "An Act to Facilitate Compliance with Federal Immigration Law by State and Local Government Entities." This must pass. We must take care of Americans first vs. last.

LD 1971 and LD 1259 submitted this session are designed to harbor/hide the status of illegal aliens and hamper Maine law enforcement from doing their job, catching criminals. Why on earth would sane, legal Maine residents ever support such measures or support these bills? It makes no sense to me at all.

As I understand it, LD 1656 prohibits restricting the enforcement of federal immigration law. It establishes a complaint process and a duty to report any violations of these provisions.

We are seeing judges at the federal level being arrested for harboring illegal aliens, as they should be! It would appear to be an act of treasonous conduct.

Restore common sense and kindly please pass this bill into law! Please do it.

I support LD 1656 and it "ought to pass." Let's "make it so", please. Thank you.
