LD 1378 OUGHT NOT TO PASS

This is a "solution" to a problem that doesn't exist.

Several years ago the legislature tried addressing the problem of drunk driving by essentially confiscating the family vehicles. Since the dangerous driver could utilize any of the family vehicles, law enforcement couldn't take just the vehicles registered to him.

That law, whatever the good intentions, caused public resentment, failed and was repealed.

This bill violates state and federal constitutional rights. It is pure political posturing
