

Testimony in support of LD 1941: An Act to Implement Recommendations of the Commission  
to Examine Reestablishing Parole

Good afternoon Sen. Carney, Rep. Kuhn and wonderful members of the judiciary committee. My name is Bud Nason and I'm writing testimony in support of LD 1941, an act to support reentry and reintegration into the community. I just want to say that being incarcerated has affected not only myself but my family and my community. Since being here at MSP I have participated in many self-help groups such as Restorative Justice, Cage Your Rage, Tier II drug class, Crucial Conversations and many more. I feel that not only myself but many other guys here have and are in the process of changing their lives for the better and deserve more than anything a second chance to prove themselves as a human to their family and to their community. Please let's end the suffering of these families. I whole heartedly ask you all to please vote "ought to pass" on LD 1941.

Sincerely,

Bud L Nason, Jr.
